Weather Dependant (WD)

Some activities are not suitable to run under certain weather conditions. If on the day this is the case we will do our best to offer a suitable replacement activity.

Clothing

Many of our activities are based outdoors and as such groups/individuals are expected to bring clothing appropriate to the day. A list of recommended clothing can be provided upon request.

Age Appropriate

Unless specifically stated otherwise people of all ages may participate in the activity. Age restrictions are often due to the suitability of equipment and PPE rather than ability. If unsure if your group would benefit from an activity then do not hesitate to get in touch with the Activity team at activities.crawfordsburn@scoutsni.org
